# SUMMER DESTINATIONS

Welcome to Part 2 of *Summer Destinations – A Guide to Summer Work, Learning, and Volunteer Opportunities 2009*. This section provides the specific organizations, company and government listings for paid work, learning and volunteer opportunities for the summer of 2009.

## **For the Student:**

This resource will give you ideas and specific detailed information to help you make plans for exciting summer experiences.

## **For the Teacher:**

This section is an important companion piece to the classroom activities provided in part 1 of *Summer Destinations*. You may photocopy this resource in part or in whole to use with your students.

## **For the Parent/Guardian:**

Summer provides an excellent opportunity for your child/ren to try new activities, learn new skills, and explore the world around them. This section of the resource, *Summer Destinations*, provides information on opportunities provided by companies, organizations and government for young people – be it paid work, volunteer or learning opportunities.

## Work with Children

### Help children have fun and learn, too!

You could be a camp counsellor, playground supervisor, swimming instructor, arts specialty instructor, or a sports instructor, to name just a few opportunities!

This section contains opportunities for working with children at summer camps. There are many different kinds of camps: day camps located in your community, and residential (or sleepover) camps located out-of-town. There are also all-boys, all-girls, and coed camps.

The Ontario Camping Association listing will direct you to more information about the different kinds of camps and work opportunities available. The other listings in this section provide a few examples of some specialty camps.

### Ontario Camping Association

The Ontario Camping Association provides a free Postings Service, Job Board, and a Summer Camp Job Fair. You can find detailed information about these services, including the Postings Program application, on the OCA website, or by calling the OCA office. Many positions are available at both day camps and residential camps in areas such as arts and crafts, archery, canoeing, drama and theatre, kayaking, land sports, music, swimming, tennis, waterskiing, and sailing. As well, some camps offer staff opportunities for individuals wanting to work with children with special needs.

**Duration:** 6 to 16 weeks

**Number of positions:** up to 280

## **YCW in National Parks and National Historic Sites**

Acquire knowledge and professional skills related to careers in science, history, visitor services, client services, and administration while investigating natural and cultural heritage career options. There are approximately 300 positions throughout Canada.

For more information, go to <[http://www.pc.gc.ca/agen/empl/sub/jct-ycw//index\\_e.asp](http://www.pc.gc.ca/agen/empl/sub/jct-ycw//index_e.asp)>.

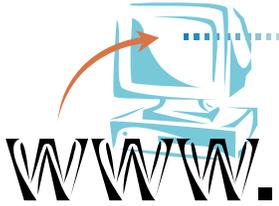

## **Service Canada Centres for Youth (SCCY)**

Summer Work Experience also supports the operation of Service Canada Centres for Youth (SCCY), where you can learn about summer work opportunities in your community and find help looking and applying for jobs. You can also find the latest information about wages, labour laws, health and safety in the workplace, and other federal and provincial youth employment programs. The services are free of charge.

Most offices are open from May to August. To find your nearest SCCY, check the “Youth Employment Strategy” section of the web site: <<http://www.youth.gc.ca>>.

## The Internet

The Internet is increasingly a successful way for students to locate jobs. You can access daily classified sections of many major newspapers, register on-line with employment agencies, access the Service Canada Job Bank, and locate sites geared specifically for youth summer employment. Here are a few recommended sites to get you started.

Keep in mind that with any on-line information search, Internet websites may change. Those listed here were all active at the time of publication. As always, be careful when using the Internet and *never* give anyone personal information.

1. Ontario Ministry of Training, Colleges and Universities – Enrichment and Summer Opportunities  
<[www.edu.gov.on.ca/eng/career/enrich.html](http://www.edu.gov.on.ca/eng/career/enrich.html)>
2. Mazemaster - Job Postings [www.mazemaster.on.ca/jobpostings/resources.htm](http://www.mazemaster.on.ca/jobpostings/resources.htm)
3. Service Canada – Job Bank

# VOLUNTEERING

Volunteering is an ideal way for you to develop your skills, get some work experience and, if you're lucky, even get your foot in the door for a paid job. Regardless, you will be rewarded by the personal satisfaction you get from making a difference and contributing to your community. In the future, your volunteer experiences could impress a prospective employer. Colleges and universities also look favourably at community involvement. It is important to treat your volunteer work as seriously as you would a regular job. Be reliable, responsible, and trustworthy. Look for a position that is of personal interest. Try to find something that relates to your career choice. For example, if you want to work in the theatre, you could volunteer as an usher or stagehand with a community theatre group. You could volunteer in: hospitals, nursing homes, daycare centres, schools, community organizations, environmental services, camps, cultural or religious centres, youth programs, community centres, food banks, or shelters.

---

**Community Involvement** involves 40 hours of volunteer activity that each secondary school student in Ontario must complete. These hours are required in order to earn an OSSD (Ontario Secondary School Diploma). When you volunteer you meet other people, learn new skills, build your self-confidence, contribute to your community and experience different kinds of work.

Community Involvement must be started *after you enter Grade 9 and be completed before the end of Grade 12*. Activities must be discussed with your parent/guardian if you are under 18, and the volunteering must be done outside of class time. Appropriate times would include after school, weekends, or summer time. You can get more information from your high school and share it with your parents/guardians. A very useful website to help parents and students is: <[www.volunteernow.ca](http://www.volunteernow.ca)>

The following list, approved by the Toronto District School Board, suggests activities students may choose. Similar activities may be approved at the school level.

## **Help Your Neighbours**

- provide service to seniors or to others who have difficulty leaving their homes – raking, shovelling (no snow blowers), shopping (students should not drive vehicles for this purpose), visiting, reading, meal preparation.
- assist a neighbour with child care – take child to park, watch child while parent prepares dinner.
- tutor younger students – read, take to library, help with homework.

## **Help Your Community**

- Volunteer at a seniors' home/centre – visit, read, play cards or board games, take seniors for walks, make crafts.
- Help organize local community events – food drives/banks.
- Take part in environmental initiatives – cleaning and recycling operations, park cleanup, planting trees and flower beds (students should *not* use power tools such as lawn mowers, hedge trimmers, wood chippers).
- Get involved in charitable activities – walk-a-thons, daffodil sales, canvassing for organizations.
- Assist with sports teams – community leagues, parks and recreation programs.
- Volunteer in leadership role with community groups – youth groups.
- Volunteer in hospitals, libraries, or any organization recommended by the Volunteer Centre of Toronto.
- Volunteer with social service or animal welfare agencies – Red Cross, United Way, Humane Society.
- Get involved in the democratic political process – scrutineering, canvassing, campaigning.
- Offer service through religious communities or places of worship.
- Assist with literacy initiatives – at local libraries, daycare centres, community centres.

## **Help Your School or Other Schools**

- Help with sports teams – run skills drills, assist coach.
- Help in the library – shelve books, tidy up, change bulletin boards.
- Tutor other students – help with homework, review difficult concepts.
- Assist students with special needs – act as peer buddy.
- Assist with planning of arts or athletic events – work on publicity, set up for track meets, sell tickets, check coats, offer technical support.
- Facilitate school events such as parent information nights – meet and greet visitors, give guided tours, serve refreshments.
- Assist with environmental activities – encourage recycling, plant trees/flowers, work on grounds crews (students should *not* use power tools).
- Participate in charitable initiatives – food drives, holiday drives for toys or food.
- Sit on school councils, committees – school governance, be a peer mentor/mediator, help with orientation of grade 9 students.
