What's My Personality Type?

Activity 1.2

Keirsey Temperament Theory expands on the 4 temperaments identified by Plato and further divides them into 2 categories (roles), each with 2 types (role variants). The resulting 16 types correlate with the 16 personality types described by Briggs and Myers.

- What's your personality type? Find out by taking a test at <http://www.keirsey.com/sorter/instruments2.aspx?> (temperament only) or <http://www.facebook.com/home.php?#!/keirseypersonality> (full results)
- Print the results of your test, attach it to this page, then complete the reflection below:
